BOYS! BOYS! BOYS!
A Group Exhibition Hosted in conjunction with
The Little Black Gallery
May 27 – June 19, 2021
By Appointment Only

The Little Black Gallery and The Fahey/Klein Gallery are proud to present *BOYS! BOYS! BOYS!*, a group exhibition curated by The Fahey/Klein Gallery and The Little Black Gallery co-founder, Ghislain Pascal, to promote queer and gay photography.

“We are so proud to be bringing *BOYS! BOYS! BOYS!* to our friends in Los Angeles to celebrate Pride. It gives our photographers the opportunity to exhibit their work to a new audience alongside such amazing luminaries. We will continue to push the boundaries and build a great market for queer fine art photography.” - Ghislain Pascal, co-founder of The Little Black Gallery.

This group exhibition will coincide with PRIDE Los Angeles, and the publication of the second issue of the bi-annual magazine: *BOYS! BOYS! BOYS!*. Originally a time to honor the 1969 Stonewall riots, PRIDE month has since come to commemorate so much more. *BOYS! BOYS! BOYS!* celebrates and honors the queer community by highlighting the artists whose work has come to define Fine Art Photography.

BOYS! BOYS! BOYS! is a project by The Little Black Gallery.

BOYS! BOYS! BOYS! Magazine: Volume 2 (The Little Black Gallery, 160 pages; \$30) are available for purchase at the gallery while supplies last.
